### Round Robin

Round robin is for playing games and rotating partners. Players should self-select their appropriate level of play. Pickleball is more fun and enjoyable when teams pair off against teams of near-equal abilities.

- **Novice (2.5)/Low Intermediate (3.0)** - Mid-level and inexperienced players looking for recreational play.
- **High Intermediate (3.5)+** - Experienced and skilled players looking for a higher level of competition.
- **All Level** - Open to all levels. Transitional mixed times are intended for players to 'mix it up' with other skill levels to 'play up'.

### Clinics - Beginner (Newbie – 2.5) and Intermediate (2.5+)

Will resume after Labor Day. For players new to the game or players looking to improve their skills.

### Advanced Tactics for Intermediate Players Clinic

Will resume after Labor Day. This clinic will introduce skills and strokes to raise the level of your game. Each class will feature drills for kitchen play, court positioning, two-handed backhand, shadowing, top spin, ball placement; ball speed ups.
